Dr. Chitra Dutta and Mr. Prashant Agarwal attended the meeting through video conference. Commissioner & Secretary to the Govt. of Assam, Department of Higher Education could not attend the meeting due to prior engagement and was granted leave of absence by the Board.

The Chairman, Board of Governors welcomed all the Board members and invitees (15 Committee members of different inquiry/ high power committees on Dr. B.K. Rai – list is enclosed in **Annexure-1** (pg.30-31)) to the 99th meeting of the Board. 15 committee members were invited to hear Dr. B.K. Rai as per his request. As this day was birthday of Sri. Vallabhbai Patel, first Deputy Prime Minister of India and Home Minister, the Chairman, BOG took the “pledge of unity, integrity and security of the nation” with all present in the meeting. As these additional invitees were present, straight away the agenda item 3 was taken up. The details are presented below in Item No. 3. Further, Prof. T. G. Sitharam, Director and Chairman BOG informed BOG about the book on “Flora of IITG” and “Birds of IITG”, which is being brought out as IITG document on the 25th year silver jubilee celebration. He also said honorable HRD minister has given the foreword to the book on “Flora of IITG”. After this, the fifteen members of various committees left the room for further proceedings of the BOG.

The agenda for the day was taken up as below:

SECTION- B: Administrative items requiring approval of the Board

Item No. 3

Disciplinary matters against Dr. B. K. Rai, Assistant Professor Department of EEE

On the case of Physical Assault on Dr. Gaurav Trivedi on 02.08.2019, the Director of the Institute in accordance with Statutory Provisions placed Dr. Brijesh Kumar Rai, Assistant Professor, Dept. of EEE under suspension with immediate effect vide order Ref. No IITG/LC/BKR-GT/24/19/115 dated 05.09.2019. The Board noted that the Chairman, BoG constituted an inquiry committee consisting of Dr. P. G. Rao, Former Director of CSIR-NEIST, Dr. U. S. N. Murthy, Director of NIPER Guwahati, Prof. Dr. J. S. Patil, Vice-Chancellor of NLUJA, Assam to inquire on this matter. The Board was informed that the proceeding of this inquiry committee is on progress.

It may be noted that in the meantime Dr. Rai violated the terms of the suspension order by entering into premises of the Dept. of EEE for which an explanation was sought from him. Dr. B. K. Rai sent an email reply agreeing to the point that he has violated the terms of suspension order, with other invalid reasons for entering.

As noted in the 98th meeting of the Board, the two members of High Power Committee constituted based on the decision of 96th meeting of the Board and to examine the matters related to the disciplinary proceedings against Dr. B. K. Rai was requested to submit the report and they submitted the report. The report was tabled to the Board.

Based on Dr. B. K. Rai's email request dated 30/10/2019 00:20 (GMT+05:30), he was informed on 30.10.2019 to appear before the Board at 11:15 am on 31.10.2019 to hear his grievances and also his appeal relevant to ongoing and pending disciplinary proceedings against him that were referred to High Power Committee.

All the members of earlier preliminary inquiry / inquiry / disciplinary / high power/ any other committee on matters related to Dr. B. K. Rai were also invited to the Board for discussion on this agenda item. 15 members of these committees were present (See again **Annexure-1** (pg. 30-31)).

The Board took a serious note on violation of the rules by Dr. B. K. Rai by leaving the

station (Guwahati) without prior approval during the suspension period. Dr. B. K. Rai did not appear before the Board during the entire proceedings of 99th meeting of the Board on 31.10.2019. The Board recorded its disapprobation for not appearing before the Board by Dr. B. K. Rai in spite of the fact that this opportunity was given to him based on his request. Through this act Dr. B. K. Rai caused great inconvenience to the Board and to the entire members of various committees who were invited for the purpose of his hearing. The Board instructed to issue notice to him.

The Board discussed in detail the following three cases of disciplinary proceedings against Dr. B. K. Rai.

1. Altercation with Dr. B. Anand
2. ISRO Matter
3. Dereliction of Duty

As each of the above cases is different, occurred at different times and led to different charges, the Board opined that each case should be pursued individually.

The members of various committees briefed about their conclusions and recommendations to the Board. They were unanimous in saying that all the due diligent procedures have been followed in the inquiry committees. The committee members informed the Board that Dr. B. K. Rai was non-cooperative during inquiry process. His presence in the campus might affect academic environment negatively.

The Board went through the report of the High Power Committee and further deliberated on the entire matter.

Resolution No: R_99BOG/03/2019:

The Board **RESOLVED** the following:

1. In the second (ISRO matter) and third case (Dereliction of Duty), the Board decided to issue charge sheets (second show cause for imposition of penalties under (iv) to (vii) statues of 15(9)) immediately along with the reports of respective inquiry committees. Since Dr. Rai again requested for personal hearing before the Board, the Board decided to give another opportunity of

personal hearing on these two cases in a special Board meeting which may be scheduled immediately after 10 days from the date of issue of charge sheets (second show cause for imposition of penalties under (iv) to (vii) statues of 15(9)) to him.

2. Since an opportunity of personal hearing before the board was given on 31.10.2019 (for which he did not appear) and again another opportunity of personal hearing as stated above has been given second time, no further hearing by any other committees is permitted.

3. The Board will deliberate on all three cases in the next meeting and take appropriate decisions.

Item No. 4

An FIR against Director and all Deans of IIT Guwahati

An FIR was lodged with Amingaon Police Station by a student on 19.09.2019 stating inter alia that the Director and Deans of the Institute are involved in abusing their position as public servants to misuse fund for their enjoyment. It was complained in the FIR that they have used IIT Guwahati fund for their own enjoyment at a hotel in the city. A case was registered under section 409/34 of Indian Penal Code. The above complaint and media news marred the reputation of the Institute and caused extreme trauma to the Director and functionaries and to entire institute community. Due to this frivolous FIR, the Director, Deans and a few Associate Deans and faculty members were compelled to take ad-interim anticipatory bail. The institute also filed a petition for quashing the FIR in the Hon'ble High Court of Gauhati on 21.10.2019.

It was apprised to the Board that a one day brain storming of workshop of all administrators (Director, Deputy Director, Deans, Associate Deans, etc) of the Institute to chalk out 100 days action plan, developmental activities of the institute in the north-eastern states and the strategies for next five years was conducted on 11.08.2019 at Hotel Kiranshree Grand. The venue for the meeting was chosen outside IITG for the sake of total privacy and undisturbed focus by all functionaries. The expenditure in this

regard was the food bill of Rs.59,400 + GST and it was paid from the Institute Development Fund with due approval of the competent authority. However, the FIR was lodged on frivolous grounds and it caused great damage to the reputation of Institute and the authorities. Now, we understood that the inquiry officer of Amingaon Police Station submitted final report to the court.

The Board noted the entire matter and resolved the following.

Resolution No: R_99BOG/04/2019:

The Board **RESOLVED** to direct the following:

1. The Institute to file the defamation (civil and criminal) case against the complainant in the event of disposal of the case by the competent Hon'ble court.

2. The Senate to directly take up the matter for appropriate decision for tarnishing the reputation of the institute and its authorities through an act of filing false FIR and intentionally spreading false information through media (print and social).

Item No.5

Approval for Changes in Extension of ACADEMIC COMPLEX PHASE-VI.

HEFA vide its letter No. IITG/50/2017-2018 dated 14-02-2018 sanctioned a loan of Rs 205.70 Crores for three projects in Indian Institute of Technology Guwahati as follows:

1. Construction of F-Type Residential quarters – Rs. 164.70 crores
2. Construction of Centre for Educational Technology (CET) – Rs.27.13 crores
3. Construction of Central Instruments Facility (CIF) – Rs. 13.87 crores.

Accordingly, NITs were invited by M/S UPRNNL, PMC of the Institute in two packages

1. Construction of 160 units of F-type quarters in four Towers and
2. Extension of Academic Complex Phase-VI comprising of two works namely Construction of CET and Construction of CIF.

The work of construction of F-Type Towers has been awarded and the work is going on.

The scope of work of extension of Academic Complex Phase-VI comprises of the

following works:

- a. Vertical extension by two floors (2nd and 3rd floors) over the existing building of Central Instruments' facility (**CIF**) building and
- b. Construction of a G+5 floors RCC building for the Centre for Educational Technology (**CET**).

The work was accordingly awarded after call of NITs by UPRNNL, the PMC of the Institute for these projects. But when the work was proposed to be started; concerns were expressed by the Head, **CIF** about the possible damages that may be caused to the already installed equipment during the time of the execution of the project. The construction activities shall involve curing of the concrete and other masonry works which requires regular curing with water. Also it will involve many activities which would cause vibrations during dismantling of existing structures before extension works and during pouring of concrete etc. these construction activities may not only affect the performances of those equipment but also may cause permanent damages to the costly equipment. The matter was discussed in details and was decided to put up the matter to B&WC for discussion and advice. The matter was put up to the 84th BWC meeting on 08-09-2018. The BWC after thorough discussion, concluded that the concerns expressed by the Head CIF about the likely causes of damages to the equipment are justified. Because during the construction work, lots of water for curing, dust and vibrations cannot be controlled and these shall affect the performance of the equipment in the lower floors but also may cause permanent damages. The BWC thus advised to drop the proposal of vertical expansion of two floors over the existing CIF building. But considering the space requirement of the Institute in the immediate near future, the BWC advised to increase the number of floors in CET to G+7. The extract of the minutes of the 84th B&WC meeting is placed at **Annexure-3** (pg.70-71). Accordingly, the consultant redesigned the foundations and superstructure considering G+7 floors in place of G+5.

The following are the details of the project:

1. **Loan sanctioned:** 41.00 crores
2. **PMC:** M/S UPRRNL

3. **Contractor:** M/S PSK Engineering Construction & Co. Naducombai (PO) Kalappanaickenpatty (via) Namakkal, Tamil Nadu-637404
4. **Accepted value of work:** Rs. 32,72,41,217.70 excluding GST.
5. **Time of start :**22-04-2019
6. **Scheduled time of completion:** 20 months (21-12-2020)
7. **Present Status (as on 30-09-2019):** Load test on the initial test piles have been carried out to finalise the length of the piles. There are 410 working piles in the total project. Two piling rigs are mobilised. There are also existing water supply pipelines and sewer lines which are required to be diverted. Diversion of these existing service lines are also going on at the same time. Because of limited working space in the area more piling rigs cannot be used. However, contractor has assured of another rig to be mobilised. About 50 working piles have been installed so far. Once the diversion of the service lines is complete, works can be expedited .
8. **Revised drawings:** Enclosed at Annexure-4 (pg.72-73)

The Board examined the request.

Resolution No: R_99BOG/05/2019:

RESOLVED to APPROVE the following changes in the proposal:

1. Dropping of the vertical extension of 2nd and 3rd floors in CIF Building and
2. Increase in number of floors from G+5 to G+7 in CET Building after the required changes in structural designs.

Further it was advised to immediately communicate the above approved changes to the authorities of HEFA.

Item No. 6

Enhancement in Bond amount for granting of long leave to Faculty members

The bond amount specified is meant to be a deterrent to employees granted long leaves so that they do not leave the Institute without following proper procedures. Currently, the bond amount is Rs.1,00,000/- which was fixed on the prevailing pay of faculty members more than 20 years back and hence is too meagre considering the

current pay of a faculty member. Hence, it is proposed to amend the bond amount as three times the current monthly gross salary of the employee at the time of signing the bond. The Board discussed the proposal.

Resolution No: R_99BOG/06/2019:

RESOLVED to APPROVE the bond amount as

1. Rs.1,00,000/- (will remain same as before) if the granted long leave is without salary,
2. Three times the current monthly gross salary of the employee at the time of signing the bond, if the granted long leave is with salary.

Item No. 7

Authorization of the Chairman, BoG to approve the Separate Audit report along with the Annual Accounts for 2018-19 for submission to the Ministry of HRD:

On recommendation of the 40th meeting of the Finance Committee for adoption of the Annual Accounts of the Institute for the Financial year 2018-19, the BoG in its 97th meeting has given the approval for adoption of the Annual Accounts.

The Annual Accounts of the Institute was submitted to the Accountant General (Audit), Beltola, Guwahati-781029 on 28th June 2019 [i.e. the Branch office of Indian Audit and Accounts Departments, Director General of Audit (Central), Kolkata-700001] for carrying out the statutory audit.

An Audit team from the Director General of Audit (Central), Kolkata, Branch office: Guwahati had conducted the Compliance Audit of the Accounts for the year 2018-19 during 29th August 2019 to 24th September 2019. After completion of the Audit, the Draft Separate Audit Report (DSAR) was received from DGAC Kolkata on 26th September 2019 for comments / reply from the Institute. Accordingly, the replies / comments on the Draft Separate Audit Report against each para have been prepared and sent to DGAC on 28th September 2019. The Final Separate Audit Report is awaited.

The time line for submission of Audited Annual Accounts for the year 2018-19 along with Separate Audit Report with bilingual printed version (Hindi and English) to MHRD is the last week of November 2019 so that the same can be placed before the winter session of Parliament during the 1st week of December 2019,. Before sending the same to the Ministry it is to be approved by the BoG.

However as there may not be any Board meeting before December 2019, the Board is requested to authorize the Chairman, BoG to approve the Separate Audit Report along with the Annual Accounts for 2018-19 for submission to the Ministry of HRD, New Delhi.

The same may be ratified in the next BoG meeting.

Resolution No: R_99BOG/07/2019:

RESOLVED to **AUTHORIZE** the Chairman, BoG to approve the Separate Audit Report along with the Annual Accounts for 2018-19 for submission to the Ministry of HRD, New Delhi.

NOT FOR PUBLIC DOMAIN

Resolution No: R_99BOG/13/2019:

RESOLVED to **APPROVE** the proposal of including the above stated names of experts in the list for nomination of Board's Nominees in the Selection Committee for selection of such Group 'A' Officers including Technical and Scientific Officers.

Item No 14

Letter forwarded from Ministry of HRD related to recruitment process of Registrar:

Ministry of HRD vide its letter F No.32-1/2019-T.S. I (part III) dated 26.09.2019, forwarded a copy of an unsigned letter sent in the name of non-teaching staff of IIT Guwahati. In the letter representations were made related to Advt No. **IITG/R/08/2019 dated 23.08.2019** for the post of Registrar. The letter was sent from the Ministry to the Director, IITG to take action as per rule.

It may be noted that the advertisement was floated as per the Recruitment Rules approved by the BOG vide its resolution taken during its 96th meeting held on 29.03.2019 and 97th meeting held on 11.06.2019 respectively. Further it may be noted that the minimum age requirement of not less than 50 years was kept in the recruitment rule of Registrar in its earlier recruitment in the year 2015. Therefore, it does not require any corrective measure.

Resolution No: R_99BOG/14/2019:

RESOLVED that no corrective measure is required, since the advertisement was issued as per the recruitment rules approved by the Board earlier.

Item No. 15

Nomination of the Board to the selection committee for the post of Registrar

The post of Registrar is lying vacant since 1st April 2019 and Prof. M G P Prasad is presently functioning as Interim Registrar of IIT Guwahati. The post of registrar has been advertised and the institute has received quite a number of applications for the same. A committee has also been constituted to short list the candidates and the

report of the committee was also submitted on 31.10.2019. For the selection of the post of registrar, a committee is to be constituted. As per the statutes (Section 12.3.(d), the selectin committee for group A officers including Registrar consists of the following members:

NOT FOR PUBLIC DOMAIN

The Board is requested to nominate two nominees as per No.(iii) above. The Board may also decide regarding the member No.(iv) above, in the selection committee.

Resolution No: R_99BOG/15/2019:

RESOLVED that the Board empowers the Director to select nominees from the list of experts approved by the Board for nomination in the Selection Committee for selection of such Group 'A' Officers including Technical and Scientific Officers.

Item No. 16

Delegation of Disciplinary Authority of the Institute

Since February 2019, as per the provision at clause 9(16) of the Statutes, IIT Guwahati, Director of the Institute has been given the charge of the office of the Chairman, Board of Governors (BoG). Ministry of HRD vide letter D.O.No 3-23/2012-TS. (Pt.II) dated 27.02.2019 has conveyed that till a new Chairman is nominated by the Visitor, Director of the Institute shall function as the Chairman BoG. Prof. T.G. Sitharam on assuming office of the Director on 01.07.2019 had chaired the meetings of the 98th BoG and 41st Finance Committee Meeting held on 19.08.2019. The 99th Meeting of BoG is also scheduled on 31.10.2019. On his assumption of office of the Director, Prof. Sitharam is also additionally functioning as the Chairman BoG.

In exercise of the authority vested upon the Chairman, BOG he has duly delegated the said authority to the Director, IIT Guwahati and in due pursuance thereof he has also exercised the power of the Appointing Authority in all recent appointments of Faculty (Selection Committee).

Therefore, in exercise of the powers laid down at clause 7(4) of the Statutes of the Institute, the power for discharging the duty of appointing as well as disciplinary authority has been duly invested upon to the Director.

As per provisions of Institutes of Technology Act 1961 at Sec 17(2) and 17(4) and Clause 9(15) of the Statutes of the Institute, the Director is vested with all powers and authority for maintenance of Discipline in the Institute.

Resolution No: R_99BOG/16/2019:

RESOLVED to **RATIFY** that the delegation of Disciplinary Authority to the Director by the Chairman, Board of Governors.

RESOLVED to **APPROVE** the order passed by the Chairman, Board of Governors whereby the Director has been authorized to act as the Disciplinary Authority and Appointing Authority for those employees for which the Board is the Disciplinary Authority and Appointing Authority.

Item No.17

Lack of clarity in the Disciplinary Proceedings of the Institute

The 83rd meeting of the Board held on 26.12.2015 has laid down the Procedures regarding the Disciplinary Proceedings against an employee of the Institute. This was only a basic guideline to be followed and will have to be read with the relevant provisions as laid down in the Statutes of the Institute as well as the relevant provisions of the CCS (CCA) rules, 1965. With the increasing number of Institute employees, there has been a considerable increase in the number of disciplinary cases in recent times.

During the course of disciplinary enquiries, it has come to the notice that there are some drawbacks including the following two noticeable ones:

- i. Few provisions are in conflict with the provisions of CCS (CCA) rules
- ii. Few provisions lacks clarity

This has made the interpretations of the provisions very difficult thereby retarding the inquiry process.

Considering the aforementioned points, it is felt prudent that wherever there is no clarity in the disciplinary procedures approved by the Board or wherever it is in conflict with the CCS(CCA) rules, 1965, the CCS (CCA) rules 1965 should prevail.

The Board was requested to consider and approve the proposal.

Resolution No: R_99BOG/17/2019:

RESOLVED that the CCS(CCA) rules, 1965 prevails whenever there is no clarity or there is a conflict in the disciplinary procedures approved by the Board.

Further it was **RESOLVED** to empower the Director to constitute a committee to prepare revised procedures regarding the Disciplinary Proceedings against an employee of the Institute and suggest necessary modifications following CCS(CCA) rules 1965.

Item No 18

Recommendation for award of degree certificates to the PhD students

Based on the recommendation of the 136th meeting of the Senate, the Board of Governors approved the proposal for awarding degree certificates to the PhD students three times in a year i.e. October, February and June (Convocation).

The Senate also mandated that these graduating PhD students shall have to submit a form (Form no. 30) for opting to receive their degree certificates prior to the Annual Convocation. Those who opted to receive their degree certificates prior to the Annual Convocation shall have to receive their degree certificates (without convocation) either by post or to collect their degree certificates from the Academic Affairs Section in person or through authorized persons and they will NOT be entitled to participate in the Annual Convocation.

This is to add here that the 138th Senate further NOTED that since the BoG meetings do not hold frequently, the approval for conferring the degrees may be put up directly to the Chairman, BoG and may be ratified in the next BoG meeting. The date of

award of these degrees will be the next day to the date of approval of these degrees by the Chairman, Board of Governors.

For the period from 01.06.2019 to 15.10.2019, the list of students who have completed their PhD / Dual PhD programmes and found eligible to receive PhD / Dual PhD degrees are given at **Annexure-7**(pg.88-93).The Chairman, Senate granted approval for recommending it to the Board to confer the degrees.

Resolution No: R_99BOG/18/2019:

RESOLVED to APPROVE the recommendations of the Chairman, Senate to confer the degrees to the list of students who have completed their PhD / Dual PhD programmes during the period of 01.06.2019 to 15.10.2019.

Item No 19

Approval to the request from the Dean of Students Affairs to constitute a committee to relook into the existing Code and Conduct and Disciplinary Procedures for students

The mission of the Indian Institute of Technology Guwahati is teaching, research and service. Inherent in this mission is the responsibility of the Institute to educate its students to be responsible, civic minded citizens. The Code and Conduct of Students outlines, students conduct and disciplinary policies that pertain to students and student organizations at IITG. It is designed to provide information to students, faculty and staff regarding the ideals that underlie our academic mission, and the expectations that the Institute has regarding the conduct of students. The purpose of the policies outlined in the Code and Conduct of Student is to protect the rights of all members of the IITG community and to maintain an atmosphere in the community appropriate for an institution of higher education. However, a couple of issues were going to police station (FIR) and / or court for natural justice by the students. When the issues are reporting at the police station and / or court by the students, Students Disciplinary Committee is unable to find any suitable / clear clause in the Ordinance and Code and Conduct of Students for discussion and noting on the circumstances, which warranted them for the same and to initiate some remedial measures. We need to have some guidelines and remedial mechanism to eradicate/ minimize the

issues before going to the police station (FIR) and / or court. Hence the Institute higher authority/ body may consider to constitute a high level/ any committee to relook into existing Code and Conduct, and disciplinary procedures for students, which are not within the purview / scope of the present SDC.

The Board considered the matter and resolved as follows.

Resolution No: R_99BOG/19/2019:

RESOLVED to empower the Director to constitute a committee to relook into existing Code and Conduct and Disciplinary Procedures for the students, which are not within the purview / scope of the present SDC.

Item No.20

Regarding RTI queries and appeals requesting for Agenda Papers of the meetings of the Board of Governors

The Institute received RTI queries and appeals requesting for Agenda Papers of the meetings of the Board of Governors. The Board was requested to consider the matter and advice.

The members of the Board deliberated on the matter and observed the following:

1. The agenda papers are exclusive document to the members of Board only.
2. Some of the items are taken up with the permission of the chair as per the statutes Section 2(10) and are subject to change till last minute of the meeting.

Resolution No: R_99BOG/20/2019:

RESOLVED that the Agenda Papers of the meetings of the Board of Governors are NOT to be given to others for the observations as stated above.

The meeting ended with a vote of thanks to the Chair.

Item No.14:

Information of availing finance from Higher Education Funding Agency (HEFA) as per direction of the MHRD

The **COMMITTEE** was apprised about the Government of India, Ministry of Human Resource Development letter no.F.No. 16-2/2017-TC dated the 16th July, 2018. The **COMMITTEE** noted the contents of the letter. The Committee was also apprised about the status of the two works for which loans have been sanctioned by HEFA as follows:

- i. **Construction of 160 units of F-Type Residential buildings:** This work was awarded to Government Construction agency, **M/S UPRNNL** after inviting tenders. **M/S UPRNNL** has awarded the work after inviting tenders from their end. The Contractor has already installed initial test piles and initial load tests on these tests piles have also been carried out in field.
- ii. **Extension of Academic Complex Phase-VI (CET and CIF):** This work was also awarded to Government Construction agency, **UPRNNL** after inviting tenders. **M/S UPRNNL** has now awarded the work and have requested for issue of construction drawings. The Committee was apprised about the latest development regarding the difficulty expressed by the head CIF about the possibility of damaging/affecting the performances of the existing equipment already installed in the Centre by the vibrations and leakage of water during construction. CIF constitutes more than 30% of the total value of work; if this part is fully withdrawn there will be contractual complications.

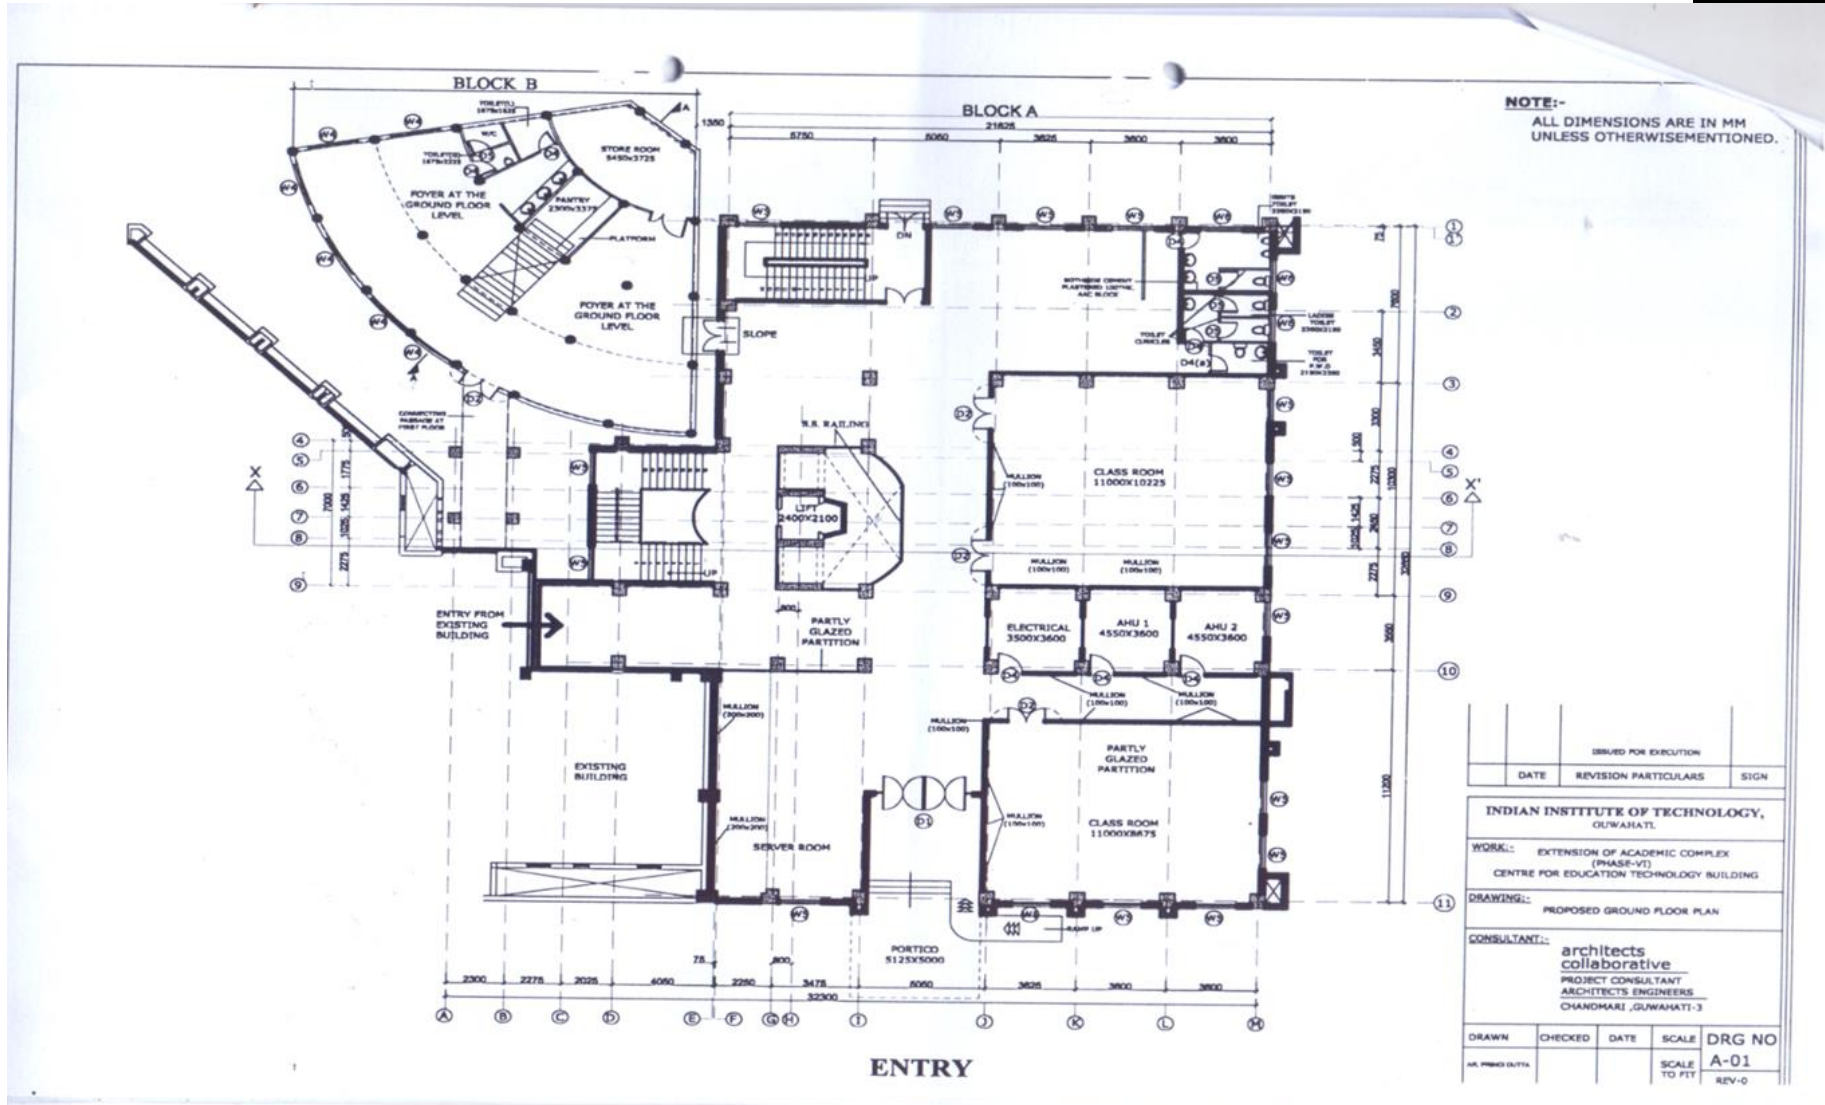

Placed for the information of the members.

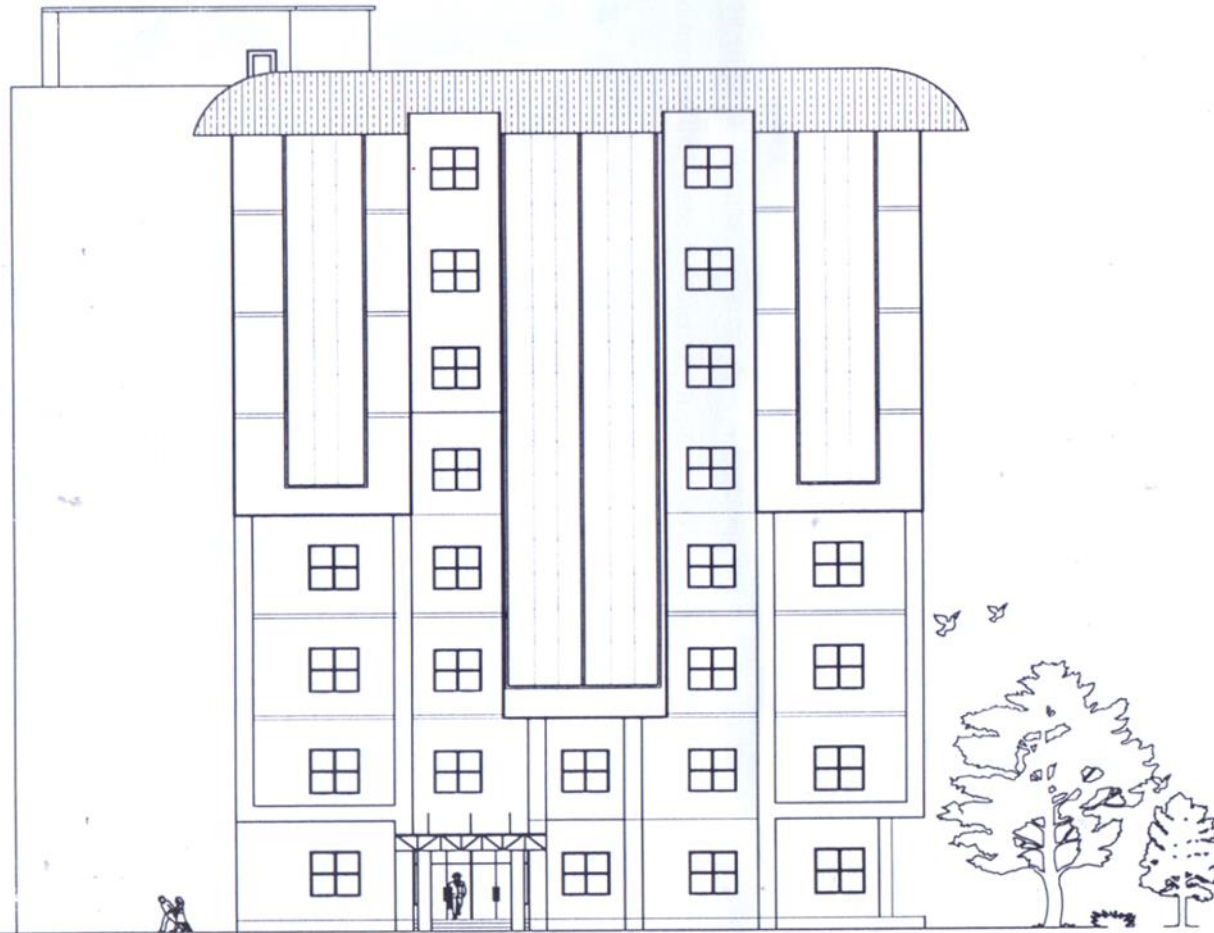

Resolution No : R/84-B&WC/14/2018

- i. The members noted the information provided. After thorough discussion in the meeting, the **COMMITTEE** decided to drop the vertical extension of two floors over the existing building of CIF and instead advised to modify the proposed building for CET from the present G+5 floors to G+7 floors to accommodate some area of CIF in the same building. Accordingly, drawings may be modified and structural shall be redesigned.

Minutes of the meeting held on 19/9/2019 to relook on the Audit observation on excess payment of pay and allowance to some of the faculty members vide Circular no.AD/32/98/Vol.22/692 dt.31/5/19.

The members deliberated on the matter and considered the procedure of pay fixation adopted by the Institute till implementation of the 7th CPC to be valid and accordingly drafted the reply to be submitted to the Audit and to the BoG.

The reply is attached herewith.

Reply to the Audit Para on Fixation of Pay

It may be appraised to Audit that the Institute is aware of the provisions of Pay fixations as referred by the Audit and implemented the same procedure till implementation of the 6th CPC when the date of increment was made uniform on 1st July every year for all the employees.

The Institute initially fixed the pay to the Faculty Members working in the Institute and appointed in a higher position as per FR 22(1)(a)(1) without giving the option of pay fixation from the next date of increment. While doing so, representations were received from faculty members appointed in a higher position during the period 2nd January to 30th June of a year that because the options were not given to them, their pay had become less than those who were appointed in the same higher position between the period 1st July till 31st December of the same year having the same pay prior to the new appointment.

On examining the matter, it was found that the group of faculty members getting appointment to substantive higher posts during the period of July 01 to December 31 in a given calendar year is automatically given two increments - one regular increment in the previous post on July 01 (uniform date of increment) and other upon appointment to substantive higher post. However, the faculty members who are getting appointment to higher posts during the period of January 01 to June 30 in the same calendar year are getting only one increment. This led to a serious discrepancy in the revised basic pay of two groups of appointees. The faculty who are appointed in the first half of a calendar year would be drawing lower pay even if they were senior than those getting appointed in the second half of the year.

The following table will give a clear picture of the situation

Date of Effect	Faculty F1 in Dept. D1			Faculty F2 in Dept. D2			Difference (4)-(7) (Rs)	Remarks
	Pay in PB (Rs)	AGP (Rs)	Revised Pay (Rs)	Pay in PB (Rs)	AGP (Rs)	Revised Pay (Rs)		
(1)	(2)	(3)	(4)	(5)	(6)	(7)	(8)	(9)
1/5/2010	47600	9500	57160	47660	9500	57160	0	Both drawing same pay
7/5/2010	49380	10500	59880	47660	9500	57160	2720	F1 appointed Professor
1/7/2010	49380	10500	59880	49380	9500	58880	1000	Upon next increment
1/8/2010	49380	10500	59880	51150	10500	61650	-1770	F2 appointed Professor
1/7/2011	51180	10500	61680	53000	10500	63500	-1820	Upon subsequent increment
1/7/2012	53030	10500	63530	54910	10500	65410	-1880	Upon subsequent increment
1/7/2013	54940	10500	65440	56880	10500	67380	-1940	Upon subsequent increment

From the table, the following transpires:

1. The faculty Member F1 of Department D1 and the faculty Member F2 of Department D2, both Associate Professors had equal pay at Rs.57160/- as on 01.05.2010.
2. Faculty Member F1 was appointed as Professor on 07.05.2010 and pay was fixed at Rs.59880/- giving one notional increment as per FR 22(1)(a)(1).
3. On 1st July 2010, Faculty member F2 got his annual increment and his pay was fixed at Rs.58880/- whereas the Faculty Member F1's pay would remain the same at Rs.59880/-.
4. Faculty Member F2 was appointed as Professor on 01.08.2010 and pay was fixed at Rs.61650/- giving one notional increment as per FR 22(1)(a)(1).
5. F2 who got appointed later than F1 would get more pay than F1 on the date of appointment which would continue eventually.

In other words, had the option not been given to the Faculty member (F1) getting appointment to a higher substantive post on 7th May 2010, his pay would have become less than the faculty member F2 (having equal pay before such appointment) getting appointment to a higher substantive post on 1st August 2010.

This case as above led to Pay Anomaly as the pay of an employee drawing equal pay with another one on a particular date and got appointed in a higher post earlier would result in lesser pay than the one appointed in the same higher post on a later date.

In view of above anomaly, it was decided to place the matter in the Board of Governors (BoG) for a decision. The matter was deliberated in the 63rd meeting of BoG and decided to give the option of fixation of pay from the date of next increment to all employees appointed to a higher post after 01.01.2006 (copy enclosed).

Accordingly, the Institute has started giving the option of fixation of pay from the date of next increment to all employees appointed to a higher post after 01.01.2006 so that there would not be Pay anomaly to the employees.

In view of above, the para may kindly be dropped.
